**Battle Town Council: New bridge at Mansers Wood
And Erosion Protection at Western Avenue**

Dear Carol,

I am delighted to offer the following quote for the work discussed.

I believe it will take the TCV Biodiversity Action Team 3 days to complete the work.

- Create a wider bridge to allow access to Mansers Shaw
- Create erosion protection on Western Avenue

TCV receives no Government funding and supports itself as a charity from the work our teams carry out.

The Conservation Volunteers nationally set day rate is £350 per day exclusive of VAT but I am pleased to offer you an introductory rate of £255 per day for these works so it will be £765 this total excludes VAT.

Once the Parish Council approve the works we will confirm the task dates, to fall in TCV's April – June 2022 programme. Our group works Monday, Wednesday & Friday.

I look forward to hearing from you once the Town Council has met.

Kind Regards

Joshua Ross
Conservation Officer
