

## **Battle Town Council 1066 Writing Competition**

### **Notes from Cllrs Davies, Gyngell and Favell, following a meeting of the Writing Competition Working Group on 27 April 2022**

#### **Review of 2021 competition**

There were only two Adult entries, but there was very little advertising for various reasons. A wider catchment area may increase entry numbers.

Only three Junior entries were received. Details of the competition will be sent to B&L and Netherfield CEP Schools before the summer holidays and reminders sent in September.

There were eight Senior entries. Three were based on the 1066 battle, so we may need to highlight that entries do not have to be related to that subject.

#### **Title for 2022 competition**

The Working Group recommends two titles for consideration by the ER&TD Committee:

Beginner's Luck

How they laughed!

#### **Rules**

In response to ER&TD's discussion about this in September 2021, the Working Group recommends that the Adult competition is open to adults in Battle and surrounding villages (Catsfield, Crowhurst, Mountfield, Sedlescombe and Whatlington).

It is recommended that, other than the change above, the 2021 rules should apply this year with the dates updated. If agreed, the rules will be amended accordingly and forwarded to the BTC office.
