

## ACTION PLAN FOR THE PLANNING AND TRANSPORT COMMITTEE

### Objectives

1. To ensure that the views of the Council on planning matters are effectively and fully expressed to the District and other Councils.
2. To develop policy and make recommendations to Council in relation to parking, public transport, highways and footpaths in the Battle area and to liaise with other Authorities having responsibilities in these fields.
3. As far as is reasonable and lawful, to take into account the views of residents on matters for which the Committee is responsible.
4. If so requested, to make recommendations to the Full Council on ~~the monitoring of the~~ any amendments to the Neighbourhood Plan

**Objective 1** To ensure that the views of the Council on planning matters are effectively and fully expressed to the District and other Councils.

**Objective 3:** As far as is reasonable and lawful, to take into account the views of residents on matters for which the Committee is responsible.

SPECIFIC OBJECTIVES

5. To consider planning applications for land in the Council's area and those outside that area which might affect the town, and to inform the Planning Authority of the Council's views;
6. To consider development plans (eg County Structure Plan; District Local Plan; Waste Local Plan; Minerals Local Plan; Regional Planning Guidance), Highways and Transport Plans and other consultation documents which impact on the town and its environment and, in terms consistent with the Strategic Plan of the Council, to comment to the relevant agency;
7. To monitor activity within the Town Council's area and to inform the Planning Authority of suspected breaches of planning control;
