

Friends of Battle Cemetery

We meet on the 1st Wednesday of the month between 10.00 and 12.00.

We usually clear dead flowers, tidy graves that are no longer cared for, weed the Gardens of Remembrance and then have a cuppa in the Ceremonies Room.

You are welcome to bring gardening tools - perhaps a pair of secateurs or shears.

We serve drinks and biscuits in the Ceremonies Room for visitors to the cemetery at the weekends, prior to important dates such as Mothering Sunday, Fathers' Day and Christmas.

New friends are always welcome - come along and join us whenever you can.
