

LEAD: Local Energy Advice Demonstrator

- **Purpose:** to advise households on how to cut their energy use and CO2 emissions at home.
- **What happens:** home visit by a retrofit assessor, followed by home visit by Citizens Advice 1066 advisor. If grant funding is available, advisor will help household apply.
- How to get it:
 - Call Citizens Advice 1066 on 0800 1456879
 - Visit www.citizensadvice1066.co.uk/lead
