Hi Beata

The price for 12pp A4 x600 on 130gsm gloss as previous is £285.

At the moment if you were to go for 12pp A5 x600 on 130gsm gloss the price would be £198 and for 16pp A5 x600 on 130gsm gloss £238. Please note however that paper prices change and we can only guarantee those prices for 3 months (having said that, they shouldn't change much). Happy to do another quote closer to the time as well.

Hope that helps for now.

Best

Steve
